

ocra::NamedInstance

```
classDiagram
    class ocre::ContactSet
    class ocre::NamedInstance
    ocre::ContactSet --|> ocre::NamedInstance
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'ocra::ContactSet'. A blue arrow points vertically upwards from this box to a white box labeled 'ocra::NamedInstance' at the top. This indicates that 'ocra::ContactSet' inherits from 'ocra::NamedInstance'.
